

DIZPOT[®]

CREATIVE | PACKAGING | LOGISTICS

Built for brands that move fast, stay
compliant, and look good doing it.

Product Catalog

Plastic CR Container

Lightweight and cost-effective plastic containers with CR design, ideal for safe storage.

Glass CR Container

Premium glass containers with CR closure, offering enhanced protection and airtight sealing.

Concentrate Jars

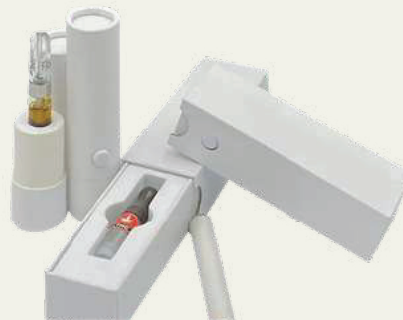

Specialized jars designed for concentrates, featuring airtight sealing, durability.

Mylar Bag

Flexible, smell-proof mylar bags with optional CR zipper, perfect for preserving freshness.

Paper Box

Customizable paper packaging solutions designed for branding, protection, and retail-ready presentation.

Custom Solutions

Choose your specifications, upload your artwork, or reach out to our team to explore customization options and elevate your cannabis packaging today.

Our capabilities extend far beyond what's shown in this catalog. If you've seen it on a dispensary shelf, chances are we can source it, manufacture it, or improve upon it. And if the product doesn't exist yet and is still just an idea in your head, our team has the experience and resources to bring it to life.

DIZPOT is your trusted partner for all things branding, packaging and logistics. Contact our expert team located all across the country for leading solutions that separate you from your competitors.

If you don't see what you're looking for, DIZPOT can create anything you can think of and or see in a dispensary.

Plastic CR Container

Child-Resistant Plastic Packaging

Lightweight, cost-effective containers designed for high-volume packaging and compliance.

Pre-Roll Jars & Tube

Protective packaging designed for pre-rolls, available in jar and tube formats to ensure freshness, durability, and portability.

Flower Jars

Child-resistant jars designed for secure storage of cannabis flower, offering a tight seal and a clean, premium presentation.

Pre-Roll Pop-Top

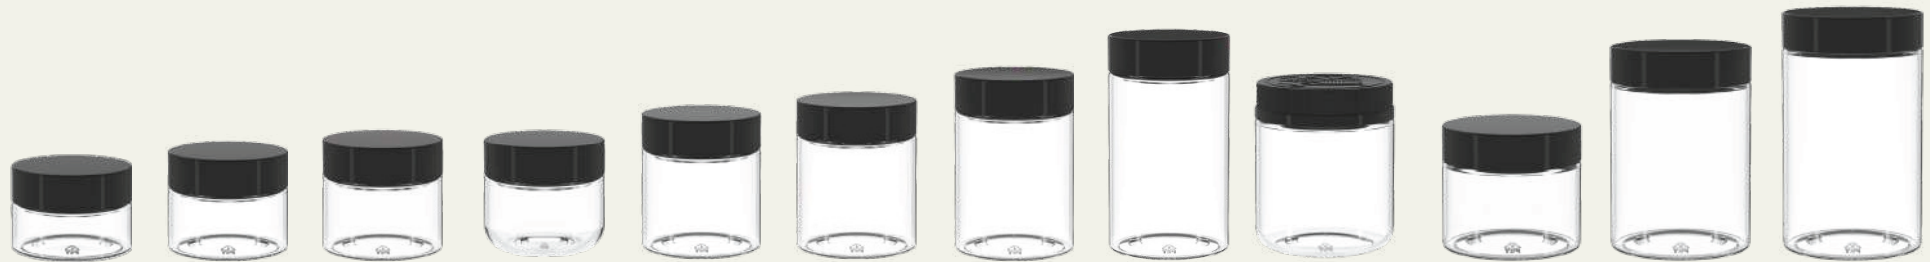

Easy-to-use pop-top containers with child-resistant functionality, ideal for quick access while maintaining product safety and compliance.

Plastic CR Flower Jars

PET/ Child Resistant

Glass and plastic jar solutions designed for secure storage, product integrity, and retail presentation.
